Sleek, contemporary, yet with a touch of coastal flair – the pinnacle of Florida living in the Lakewood Ranch lifestyle is here at 16407 Daysailor Trail. Located in the coveted neighborhood of The Lake Club, this luxuriously upgraded Arthur Rutenberg home sits tucked back, nestled by a stunning Florida preserve. Gracing over half an acre, the winding driveway, wing-walls and mature landscaping add extra privacy to your property. This customized home was built in 2019 and offers nearly 3,100 square feet of sublime living space with a gracious lanai, functional study, spacious bonus room, luxuriant owners suite, and open entertaining areas plus a generator and impact windows and doors. Contemporary and Florida design styles happily meet with a charming front porch entry with columns and accent shutters, complemented by siding and large seeded, impact glass front doors. The elegant interior shines with wood-look plank porcelain tile flooring, 12' ceilings with cove crown molding, and incredible tall disappearing corner impact sliding glass doors that frame the preserve view. Embrace the ultimate in indoor-outdoor entertaining, on the travertine lanai with classic colonnade screen enclosure.
